

VOTE **YES** ON AMENDMENT 1:

the Constitutional Right to Hunt and Fish this November!

Constitutional Amendment 1 will protect our sporting traditions from attacks initiated by well-funded national anti-hunting groups that have assailed sportsmen throughout the country in recent years. In addition, it specifies that wildlife conservation and management decisions will be based on sound science, not the misguided emotions of anti-hunting extremists. Just look at the radical words of Wayne Pacelle, leader of the powerful Humane Society of the United States:

**"Our opponents say hunting is a tradition.
We say traditions can change."**

(Bozeman Daily Chronicle)

**"If we could shut down all
sport hunting in a moment,
we would."**

(Associated Press)

All Mississippians need to vote YES on this constitutional safeguard to protect wildlife and promote conservation -- efforts that sportsmen have spearheaded for generations. Don't let radical extremist organizations invade Mississippi and destroy the state's diverse and flourishing wildlife populations!

VOTE **YES**

ON AMENDMENT NO. 1: **the Constitutional Right to** **Hunt and Fish this November!**

Your vote to ratify Amendment 1 will create permanent protections for sportsmen and conservation in Mississippi. It will protect sporting activities for future generations of Mississippi hunters and anglers. Amendment 1 would add the following language to the Mississippi Constitution, specifying:

The people have the right to hunt, fish and harvest wildlife, including by the use of traditional methods, subject only to laws and regulations that promote wildlife conservation and management and that preserve the future of hunting and fishing, as the Legislature may prescribe by general law. Public hunting and fishing shall be a preferred means of managing and controlling wildlife. This section may not be construed to modify any provision of law relating to trespass, property rights, the regulation of commercial activities or the maintenance of levees pursuant to Article 11.
